

# Respite care at Fairburn.

## STIMULATING AND SUPPORTIVE SHORT BREAKS / RESPITE CARE FROM MILESTONES TRUST

Located in the popular Little Stoke area of South Gloucestershire, our Fairburn service offers people with a learning disability the chance to enjoy a short break away from home while receiving the high level of care that Milestones is renowned for. With a staff team focused on delivering a positive and person-centred experience for everyone staying at the service, it's no surprise that people who come to stay once end up becoming repeat visitors.

At Fairburn, we work hard to offer people a stimulating and supportive short break that allows the continuity of everyday life to be maintained. We work in partnership with the people we support and their families to plan support that encourages development of daily living skills and offers a taste of independent living – while leaving plenty of time for activities and fun!

Importantly, our short breaks allow parents and carers to take time off from their caring role, comfortable in the knowledge that their loved one is in good hands, and with the reassurance that an update need only be a phone call – or even a quick visit - away.

### Service at a glance

- **Type of service:** Short breaks/respice care
- **Who is it for:** People with a learning disability, including people with physical needs
- **Number of beds:** Seven
- **On site support:** 24 hours per day
- **Location:** Little Stoke, Bristol

“

*“People look forward to coming. We see the smile on their faces when they arrive for their stay, and they say “I’m on holiday!” which is so nice to hear. It means we’re doing a good job.”*

**Dee, a member of the support team**

## Great things about Fairburn

**A range of needs** – With seven beds and an experienced staff team, we're well placed to support people with a range of learning disabilities and physical needs.

**Out and about** - The home has its own minibus and can organise trips out for people staying at the service. Past excursions have included the theatre, the cinema, museums, leisure centres and the Wild Place – we're always happy to work with the people who use the service to plan future activities, and if we can make it happen, we will.

**An ideal location** - Local shops and a park are a short walk away, while Cribbs Causeway shopping centre is nearby.

## About Milestones Trust

Milestones Trust is a charity that supports people with learning disabilities, mental health needs and complex behavioural needs in and around the Bristol, North Somerset and South Gloucestershire areas.

We've been supporting people since 1986 and we're proud that all of our registered services have been rated as either Good or Outstanding by the CQC.

At Milestones, our four values shape everything we do, and we strived to make sure these are easy to understand:

- We start with the individual
- We bring people close
- We take our creativity to work with us, and
- We are courageous in our approach.

What makes our Trust special is that we build our support around the individual person and their particular needs, wants and ambitions. More than ever, people in our society need what we have to offer: the expertise, experience, and empathy to bring about real, lasting, positive change that transforms the lives of the people we support.

## A home from home

At Fairburn we do everything we can to make sure that people who come to stay really do feel at home.

Each of our seven bedrooms is equipped with a bed, a bedside table, a TV and plenty of storage for personal belongings so that people can bring whatever makes them feel comfortable. And Wifi is available throughout Fairburn, so people are very welcome to bring and connect their own devices too.
